Auction of Promises

22 March 2012, 7:00

**Doors open 6.45pm
Auction begins 7.00pm
and finishes 10.00 pm**

WELCOME TO THE 4TH PRIOR WESTON SCHOOL & CHILDREN'S CENTRE AUCTION OF PROMISES

Once again we have been (almost) overwhelmed by the enthusiasm and energy which everyone has put into offering and sourcing promises. Thanks for everyone's hard work! There are over 140 fantastic lots altogether which have been divided into two separate auctions, a LIVE auction and a SILENT auction.

The SILENT Auction will run from Monday the 19th March until 9.00pm Thursday the 22nd March.

The money raised will be used by the PTA to fund the purchase of equipment, resources and school trips to enhance the education of our children.

Happy browsing and successful bidding!!

GENERAL RULES

Prior Weston PTA makes no warranty or representation of any kind with respect to any items or services sold. Please inspect where possible.

Many images included in this catalogue are used to capture the spirit of the promise and are not images of the actual item. Please look at the items before you bid.

All items must be paid for in full before the buyer's departure for the evening. Payment can be in cash or, preferably, cheque accompanied by a banker's card. Unfortunately we cannot accept credit or debit cards.

Payment for the live and the silent auctions will be handled separately on the night. If you are lucky enough to win more than one promise write a list of lot numbers as you wait in the queue... to make the time pass!

Services and other intangible items can be delivered through private arrangement between buyer and donor, at their mutual convenience.

All sales are final and there will be no exchange or refund on items. Unless OTHERWISE SPECIFIED, OR MUTUALLY AGREED all auctioned services must be used within THREE MONTHS OF THE AUCTION DATE, the date and times may vary if other arrangements are made between the buyer and seller at their mutual convenience.

HOW TO BID

LIVE AUCTION RULES

It is the bidder's responsibility to ensure that the auctioneer sees their bid. The highest bidder acknowledged by the auctioneer shall be the purchaser. As each lot is sold, the auctioneer will ask the purchaser their name and number. In the event of any dispute, the auctioneer's decision shall be final. At the fall of the auctioneer's gavel, title to the article passes to the highest bidder who thereupon assumes full risk and responsibility for the article.

SILENT AUCTION RULES

All those wishing to place a bid for a silent auction item will need to obtain their own unique bid number from a member of the PTA. Bids are anonymous and only the bid number is used during bidding.

Silent auction promises will be described on a display board in the school hall where bids can be submitted anonymously against each promise, using your bid number only for identification. Bids are placed in sequential order, each person out-bidding the last until the close of the auction when the highest bid wins. You may place as many bids as you like on any one item provided you bid higher than the previous bidder.

SEALED BIDS

If you cannot be present when an item is auctioned in the live auction, you may wish to leave a sealed bid. To make a sealed bid, write your name, address, phone number, child's name and class followed by the lot number and brief description, together with the highest bid you are prepared to make. Put this in an envelope clearly marked 'Postal Bid'. Return this to a PTA member, or leave at the auctioneer's desk, on the evening.
